IMAGE 3: Forum Gallery

The heart of the Museum will be opened up, creating a clear sight line through the ground-floor and first-floor galleries that will greatly simplify wayfinding,
Rendering © Gehry Partners, LLP

IMAGE 4: Level C Galleries

The new underground galleries will be lit in part by a skylight in the East Terrace

Rendering © Gehry Partners, LLP

IMAGE 5: Vaulted Walkway

The vaulted underground walkway, long closed to visitors, will become a space for art and events, with entrances at the north (Kelly Drive) and south (Schuylkill River) sides of the building
